PROFESSIONAL SUMMARY

Economics graduate (Second Class Upper, Bingham University) transitioning into software development with a focused interest in backend engineering. Currently building practical skills in Go (Golang), web development, Git, and software engineering principles through self-directed learning and real-world projects. Brings a strong analytical foundation, attention to detail, and a disciplined, problem-solving approach to every challenge.

TECHNICAL SKILLS

Languages	Go (Golang), JavaScript, HTML, CSS
Tools	Git, GitHub, Linux, VS Code
Concepts	REST APIs, Backend Development, Data Structures & Algorithms, Problem Solving
Productivity	Microsoft Office (Word, Excel, PowerPoint), Google Workspace

PROJECTS

ASCII Art Web <i>Go · HTML · CSS · HTTP</i> - Built a web application in Go that converts user-submitted text into ASCII art using custom banner fonts. - Implemented HTTP routing, template rendering with Go's <code>html/template</code>, and static file serving.	2024
Forum Application <i>Go · SQLite · HTML · CSS · JavaScript</i> - Developed a full-stack discussion platform with user registration, authentication, post creation, and commenting. - Designed and implemented a relational database schema using SQLite; managed session-based authentication in Go.	2024
Forex AI Trader <i>Go · REST APIs · Data Analysis</i> - Built an AI-assisted trading tool that consumes forex market data via REST APIs and surfaces trading signals. - Applied Economics background to inform algorithmic logic; integrated third-party data providers.	2024

WORK EXPERIENCE

Real Estate Agent <i>Dancel Jovic Integrated International Limited — Abuja, Nigeria</i> - Assist clients seeking residential and commercial property for rent or purchase, matching options to budget and requirements. - Coordinate property viewings, negotiate terms between landlords and prospective tenants or buyers. - Maintain client relationships through consistent communication and reliable after-sale support. - Manage property listings, prepare tenancy documentation, and ensure accurate record keeping.	Jul 2023 – Present
NYSC Corps Member (Teacher) <i>Government Secondary School, Gora — Nasarawa State, Nigeria</i> - Completed mandatory National Youth Service Corps programme, contributing to classroom instruction and community development. - Supported school administration with record management, timetabling, and communication with parents and staff.	2023 – 2024

Assistant Secretary

2021 – 2022

Nigerian Economics Students Association (NESA) — Bingham University

- Organised and minuted general meetings; prepared and distributed confidential reports to departmental leadership.
- Maintained membership records and filing systems; coordinated logistics for association events.
